She's a steel thrill suicide
They say cyanide in her plastic veins
She's a mannequin of misery
She's on a bender but she ain't gonna break

Hey, hey, taste like sugar
But it's Novocaine
She's grinding teeth
So she can sharpen the pain

White light
Train wreck

Black lips, pale eyes
Cyanide sweet tooth suicide
She's a killer
She's my cyanide sweet tooth suicide

Strychnine cerebellum feeds the brain
Hurricane in a violent rage, they say
She's a looker just like Anna Nicole, oh no
Fuck the silver let's go straight for the gold

Hey, hey, digging deeper
Than a six foot hole
She's snorting cocaine
Through a suicide note

White light
Train wreck

Black lips, pale eyes
Cyanide sweet tooth suicide
She's a killer
She's my cyanide sweet tooth suicide

White light
Train wreck

Black lips, pale eyes
Cyanide sweet tooth suicide
She's a killer

My, my cyanide sweet tooth suicide

Black lips, pale eyes
Cyanide sweet tooth suicide
She's a zero modified
Cyanide sweet tooth suicide
