If I had a world of my own  
Everything will be nonsense  
Nothing will be what it is  
Because everything will be what it isn't

I invite you to a world  
Where there is no such thing as time  
And every creature lens themselves  
To change your state of mind

And the girl that chase the rabbit  
Drank the wine and took the pill  
Has locked herself in limbo  
To see how it truly feels

To stand outside your virtue  
No one can ever hurt you  
Or so they say

Her name is Alice  
(Alice)  
She crawls into the window  
Shapes in shadows, Alice  
(Alice)  
And even though she's dreaming, she knows

Sometimes the curiosity  
Can kill the soul but leave the pain  
And every ounce of innocence  
Is left inside her brain

And through the looking glass  
We see she's painfully returned  
But now off with her head  
I fear is everyone's concern

You see there's no real ending  
It's only the beginning  
Come out and play

Her name is Alice  
(Alice)

She crawls into the window  
Shapes in shadows, Alice  
(Alice)  
And even though she's dreaming  
She's unlocked the meaning for you

This kingdom good riddance  
Good freedom and innocence  
Has brought this whole thing down

Her name is Alice  
(Alice)  
She crawls into to the window  
Shapes in shadows, Alice  
(Alice)  
And even though she's dreaming  
She's unlocked the meaning

She's unlocked the meaning for you

In contrary was, what it is it wouldn't be  
And what it wouldn't be it would, you see
