Stare in wonder, who's here to bring you down?  
Find your martyr, I'm sure you've made the crown  
So light a fire under my bones, so when  
I die for you, at least I'll die alone

Ain't nothing for me to end up like this  
There's no comparing me this time

All my heroes have now become ghosts  
Sold their sorrow to the ones who paid the most  
All my heroes are dead and gone  
But they're inside of me, they still live on

Dark devotion in a beacon paradise  
Shows no emotion to a willing sacrifice

You can put a man on trial but you can't make the guilty  
pay  
And you can cage an animal but you can't take away  
the rage

Ain't nothing for me to end up like this  
There's no comparing me this time

All my heroes have now become ghosts  
Sold their sorrow to the ones who paid the most  
All my heroes are dead and gone  
But they're inside of me, they still live on

All my heroes have now become ghosts  
Sold their sorrow to the ones who paid the most  
All my heroes are dead and gone  
They're inside of me, they still live on

They're all dead and gone
