Hello, let me introduce you to  
The characters in the show  
One says yes, one says no  
Decide - which voice in your head you can keep alive

Even in madness, I know you still believe  
Paint me on canvas so I become  
What you could never be

I dare you to tell me to walk through fire  
Wear my soul and call me a liar  
I dare you to tell me to walk through fire  
I dare you to tell me  
I dare you to

Hello, are you still chasing  
The memories in shadows  
Some stay young, some grow old  
Come alive, there are thoughts unclear  
You can never hide

Even in madness, I know you still believe

Paint me on canvas so I become  
What you could never be

I dare you to tell me to walk through fire  
Wear my soul and call me a liar  
I dare you to tell me to walk through fire  
I dare you to tell me  
I dare you to

Hello  
Hello...  
I dare you to tell me to walk through fire  
Wear my soul and call me a liar  
I dare you to tell me to walk through fire  
I dare you to tell me  
I dare you to  
Hello...  
Hello...  
I dare you to tell me

I dare you to  
I dare you to tell me  
I dare you to
