Staring down a new corridor
Swimming through the water
past the shore

to show you
what to do

leave a whisper
for the dearly departed
and trade a bag of fools
for the broken hearted

smiling through a smokey hourglass
hiding behind the wounded
bruised mask
and off into the distance
somewhere above reality
essence of feeling
has somehow reminded me

to show you
what to do

leave a whisper

for the dearly departed
and trade a bag of fools
for the broken hearted
(X2)

you can put a man on trial
but you cant make the guilt pay
you can cage an animal
but you cant take away the rage

leave a whisper
leave a whisper
leave a whisper
yeah
(X2)

leave a whisper

for the dearly departed
and trade a bag of fools
for the broken hearted
(X2)
