I got a candle  
And I've got a spoon  
I live in a hallway with no doors  
And no rooms

Under a windowsill  
They all were found  
A touch of concrete within the doorway  
Without a sound

Someone save me if you will  
And take away all these pills  
And please just save me if you can  
From my blasphemy in my wasteland

How did I get here  
And what went wrong  
Couldn't handle forgiveness  
Now I'm far beyond gone

I can hardly remember  
The look of my own eyes  
How can I love this a life so dishonest  
It made me compromise  
Someone save me if you will  
And take away all these pills  
And please just save me if you can  
From my blasphemy in my wasteland

Jump in the water  
Jump in with me  
Jump on the altar  
Lay down with me

The hardest question to answer  
Is why

Why

Someone save me if you will  
And take away all these pills  
And please just save me if you can

From my blasphemy in my wasteland

Someone save me  
Someone save me  
Somebody save me  
Somebody save me  
Please don't erase me
