My eyes are open wide
By the way I made it through the day
I watch the world outside
By the way I'm leaving out today

I just saw Halley's Comet she waved
Said "why you always running in place?"
Even the man in the moon disappeared
Somewhere in the stratosphere

[Chorus]

Tell my mother, tell my father
I've done the best I can
To make them realize
This is my life
I hope they understand
I'm not angry, I'm just saying
Sometimes goodbye is a second chance

Please don't cry one tear for me
I'm not afraid of what I have to say
This is my one and only voice
So listen close, it's only for today

I just saw Halley's Comet shooting
Said "why you always running in place?"
Even the man in the moon disappeared
Somewhere in the stratosphere

[Chorus]

Tell my mother, tell my father
I've done the best I can
To make them realize
This is my life
I hope they understand
I'm not angry, I'm just saying
Sometimes goodbye is a second chance

Here is my chance
This is my chance

Tell my mother, tell my father

I've done the best I can
To make them realize
This is my life
I hope they understand
I'm not angry, I'm just saying
Sometimes goodbye is a second chance

Sometimes goodbye
Is a second chance [x3]
