And I stay awake, all night.  
And I stay awake, just to fight.  
It's so surreal, there is no way out of here  
I'm caught on both sides, and this I know is clear.

I don't know where you are,  
So why do I care.  
I know we're both even,  
So why's it feel unfair.

Cuz I've been the one who stood by you.  
And I've been the one who waited in line  
And gave up his time for you  
And I've been the one you've soon forgotten

But you never seemed to care,  
No, you never seemed to care.

Sometimes the bad and the good blend together.  
An open book is as predictable as the weather.  
And there are no new ways to reinvent this life,  
And there are no instructions on how to make it right.

I don't know where you are,  
So why do I care.  
I know we're both even,  
So why's it feel unfair.

Cuz I've been the one who stood by you.  
And I've been the one who waited in line,  
And gave up his time for you.  
And I've been the one you've soon forgotten.

So you're covered, still I wished you well.  
So you struggled, sometimes we all need help.  
I know you'll find yourself, sooner or later.  
Recover and just move on.

Cuz I've been the one who stood by you.  
And I've been the one who waited in line,  
And gave up his time for you.

And I've been the one you've soon forgotten,  
Forgotten, oh yeah.
