I know I can trust myself
'Cause I believe in what I say
I believe in my friends
Because their with me everyday

Believe that we can overcome
Because the scene is strong today
Believe I live this life
Because I know hardcore's the way

Believe we are right
Believe we are strong
Believe in yourself
Believe hardcore

I know things look bleak sometimes
I wish it wasn't that way
We know we're in the right
We stand proud today

I know I can trust myself
'Cause I believe in what I say
I believe in my friends
Because their with me everyday

Believe that we can overcome
Because the scene is strong today
Believe I live this life
Because I know hardcore's the way

Believe we are right
Believe we are strong
Believe in yourself
Believe hardcore

I know things look bleak sometimes
I wish it wasn't that way
We know we're in the right
We stand proud today
