What I don?t want to ever  
Have to think about again  
What I don?t want to ever  
Have to think about again.  
Well I don?t want you tell me  
About what I know I gotta do  
Well I don?t want you tell me  
About what I know I gotta do.

Well I?m frustrated walking down the street  
You don?t know what I?m thinking in my head  
When I?m frustrated walking down the street  
You don?t know what I really understand.

Is it something that you gotta say  
Is it something that you gotta do  
Is it something that you want from me.  
Something for you
