"My Life"

It's my life, one, two, three, four
Everybody's got a price to pay
It's my life
Gonna do things my own way

It's my life
Take what's mine, take what's left
It's my life
Live my life with no respect

It's my life
Everybody's got a price to pay
It's my life
We don't like you anyway

It's my life
And as I walk these streets all alone
It's my life
And I might not feel like going home

It's my life
Everybody's got a price to pay
It's my life
Gonna do things my own way

It's my life
Take what's mine take what's left
It's my life
Live my life with no respect
It's my life
