there there are no set rules. remember one thing you  
came here alone. thats how youll do this bid, thats how  
youll go home. learn how to do  
Dont let time do you. now that youve entered your  
humanity is withdrawn. known only as a din number,  
your life is at pawn. I bet you never imagined to be  
beaten and caged with no one to pity yo  
Ayers nor your pains. and you thought in the streets  
that your life was so unfair and cruel. make one  
careless mistake here boy and youll drown in your own  
pool. so take this advice stay alert a  
Cue. keep only to yourself and your ears in hsarp tune.
