"Nowhere To Go"

Abandoned - Nowhere can I turn
Fallen - A lesson to be learned

You hand me the blame, all this never ends
It's always the same, I'll get this never ends
All I know - Got nowhere to go
Nothing to show - Got nowhere to go.

Illusion - Things they should be clear
Delusion - No doubt was ever there.

Whoah oh! - Got nowhere to go
Left alone with nothing to show.
In the streets we've made a home
Our friends are all those we know.

Not guilty, I plead the fifth
Faced the consequences for the crimes I did.
People keep tryin' to put me down
I'm right here I'm still around
