Pride, faith, respect, this is what we live for

This is dedicated to our fallen soldiers of the DMS Crew  
You are gone but never forgotten  
Con amor vaya con dios

We strive in honor for our brothers who are gone  
Through the thick and the thin, we fight and push on  
We'll never abandon all that we've built for years  
No regrets, no pains, no guilt, no tears

Pride is not a sin, it's a value  
Pride is not a sin

Pride, faith, respect, this is what we live for  
Hardcore and this is what we die for  
Our legacy is eternal, my crew is my family

Pride is not a sin, it's a value  
Pride is not a sin, DMS Crew

Pride, faith, respect, this is what we live for  
This is what we die for

Pride is not a sin, it's a value  
Don't ever question my values
