

Agnostic Front **"Sit And Watch"**

Visit "[Sit And Watch](#)" on MotoLyrics.com

I sit and watch as time goes by
My ambitions are obsolete
Whatever happened to the way things were?
The way things used to be
Broken glass from a stolen car
Drug dealers surround me
Whatever happened to the way things used to be?
I sit and watch you from my window
My rent check two weeks late
Whatever happened to the working man?
He just does not get paid
Integrity-my hopes-my dreams
I want to do what's right-what's right for me
Integrity-thoughts inside my head
It seems I'm getting fucked
Until the day I'm dead
