Taking it back  
New York Hardcore  
Agnostic Front  
Let's go!

Take me there, take me back  
To before my tomorrows died  
To when it was so real and true  
To when it was my only care- Take me back!  
Take me there to when it started  
Take me back to when we ran it

Just take me, just take me,  
Just take me, take me back!  
This is real, this is pure  
Go!

Take me, take me back!
