Here we come to demolish the wall. weve waited years
to witness this fall. today we see the truth among
curious lies. weve come to seek justice with our own
eyes. brick by brick we slave for a l
Nd mortar mix for dimes. we wont allow ourselves to be
beat. we wont level this wall of dirty deeds. our rise will
be your fall. with force we'll crush your wall. yet it is true
how weve been ke
The dark. for our life lacks the beauty of yours. and
while the poorer get poorer you could care less
because you're set for life with riches. brick after brick
weve slaved for your life and mor
lx for nothing but dimes. never again will we ever be
beat. nor will we level this wall full of dirty deeds.
