CATHERINE/CATHY:

"I guess I can't believe you really came  
And that we're sitting on this pier  
See, I'm smiling  
That means I'm happy that you're here

I stole this sweater from a costume shop  
It makes me look like Daisy Mae  
See, we're laughing  
I think we're gonna be okay.

I mean, we'll have to try a little harder  
And bend things to and fro  
To make this love as special  
As it was five years ago  
I mean, you made it to Ohio!  
Who knows where else we can go

I think you're really gonna like this show  
I'm pretty sure it doesn't suck  
See, you're laughing and I'm smiling  
By a river in Ohio  
And you're mine  
We're doing fine

I think we both can see what could be better  
I'll own when I was wrong  
With all we've had to go through  
We'll end up twice as strong  
And so we'll start again this weekend  
And just keep rolling along

I didn't know you had to go so soon  
I thought we had a little time  
Look, whatever, if you have to  
Then you have to, so whatever  
It's all right  
We'll have tonight

\*spoken\*You know what makes me crazy?  
I'm sorry, can I say this?

"You know what makes me nuts?  
The fact that we could be together  
Here together  
Sharing our night  
Spending our time  
And you are gonna choose someone else to be with  
No, you are  
Yes, Jamie, that's exactly what you're doing:  
You could be here with me  
Or be there with them  
As usual, guess which you pick

No, Jamie, you do not have to go to another party  
With the same twenty jerks you already know  
You could stay with your wife on her fucking birthday  
And you could, God forbid, even see my show  
And I know in your soul it must drive you crazy  
That you won't get to play with your little girlfriends"

\*spoken\* No I'm not, no I'm not!  
And the point is, Jamie,  
That you can't spend a single day that's not about

"You and you and nothing but you  
"Mahvelous" novelist, you!  
Isn't he wonderful, just twenty-eight  
The savior of writing  
You and you and nothing but you  
Miles and piles of you  
Pushing through windows and bursting through walls  
En route to the sky  
And I..."

I swear to God I'll never understand  
How you can stand there straight and tall  
And see I'm crying  
And not do anything at all"
