Forgive my words, sorry  
I remember your shining tears

You've hurt my face... doesn't matter  
'Cause the biggest bleed is in my soul

Oh, I will live with your anger  
Oh, I will live with my cry

Standing in my room, I see your eyes  
And I hear again, the echo of your voice

Please, kiss my lips, just one more time  
Tell me now that it's only a bad dream

Oh, I will live with your anger  
God, I will live with my cry  
Oh, I will live with the pain into my heart

Oh, I just will live  
Into the darkness I'll walk  
Lookin' for my love to you

I've lost myself, when I've lost you  
And my life is empty without you

Deep in my memories, I will cry for me  
'Cause the sadness is my only friend

Oh, I will live with my sorrow  
God, I will live with my pain  
Oh, I will live with the rain into my heart

Oh, I just will live  
Into the darkness I'll walk  
Lookin' for my love to you

Oh, I just will live  
Into the darkness I'll walk  
Lookin' for my love to you

Oh, you must know that this song is for you

Only for you, and for me  
Oh, I will give you the answer to my lies  
Please call my name...  
And I'll be there

Oh, I just will live  
Into the darkness I'll walk  
Lookin' for my love to you

Oh, I just will live  
Into the darkness I'll walk  
Lookin' for my love to you
