All I wanna do when I wake up in the morning is see you
eyes

Rosanna, Rosanna

I never thought that a girl like you could ever care for
me, Rosanna

All I wanna do in the middle of the evening is hold you
tight

Rosanna, Rosanna

I didn't know you were looking for more than I could
ever be

Not quite a year since she went away, Rosanna

Now she's gone and I have to say

Meet you all the way, meet you all the way, Rosanna

Meet you all the way, meet you all the way, Rosanna

I can see your face still shining through the window on
the other side

Rosanna, Rosanna

I didn't know that a girl like you could make me feel so
sad, Rosanna

All I wanna tell you is now you'll never ever have to
compromise

Rosanna, Rosanna

I never thought that losing you could ever hurt so bad

Not quite a year since she went away, Rosanna

Now she's gone and I have to say

Meet you all the way, meet you all the way, Rosanna

Meet you all the way, meet you all the way, Rosanna

[Solo]

Not quite a year since she went away, Rosanna

Now she's gone and I have to say

Meet you all the way, meet you all the way, Rosanna

Meet you all the way, meet you all the way, Rosanna

Meet you all the way, meet you all the way, Rosanna
Meet you all the way, meet you all the way, Rosanna
