Say what you want, I know what's real

Beneath the surface of the coldest ocean
I'm drowning, I'm sinking
Standing at the foot of the highest mountain,
I'm freezing but I can't feel a thing.
Beneath the surface of the coldest ocean
I'm drowning, I'm sinking
Standing at the foot of the highest mountain,
I'm freezing but I can't feel a thing

My hearts been frozen so long
That I can't feel anything at all
There's nothing left of warmth
Nothing to melt the ice in my lungs
I've turned my back a thousand times
It's all you showed me. It's all you ever showed

Beneath the surface of the coldest ocean
I'm drowning, I'm sinking
Standing at the foot of the highest mountain,
I'm freezing but I can't feel a thing.

How can you expect me to fucking love,
In a world that showed me nothing but hate.

Nothing but hate

Say what you want, I know what's real
There's no such thing as love
There's no such thing as trust
Say what you want, I know what's real.
Say what you want, I know what's fucking real

I'm drowning, and I can't feel a thing
I'm freezing, and I can't feel a thing
I'm dying, and I can't feel a thing
I never feel anything
I never feel anything
I never feel anything
