February of 14 I was lonely on this day  
Guess Cupid never got my letter so yet I still pray  
Each and everyday of my life hoping that she would  
stay  
But on this day I found out she went on her separate  
way  
Things I thought were wrong I found out it was true  
I messed up again thinking that it was just me and you  
Alone on this date and it was just like last year  
Same time, same rhyme, and baby you aint here!  
YO!  
Dear cupid where ever you may be,  
Please point your bow and arrow shoot one me I need  
to fall in love again,  
Someone that would not pretend,  
Someone more than just a friend Cupid, break me free!  
(Yeah)  
Time is running out I need one to be mine  
Cause 14th of February I'm gon need a valentine  
Apart from that I'm gone need someone to sign  
Sign my heart with love cause I'm running out of rhyme

### CHORUS

#### ALBERT POSIS

And even if, the sun refused to shine.  
And Even if romance ran out of rhyme.  
You would still have my heart until  
The end of time.  
You're all I need, my love, my  
Valentine.

#### ALBERT POSIS

Oh  
Cupid, please, would you just hear me now? (Yeah)  
I just need this girl back in my life  
Somehow.  
Cause it just don't feel right  
Without her presence by my side  
And I cant, live without  
Her in my life.

MARK MEJIA

Cause I know that  
She's the one  
And even though  
It's said and done,  
She's the  
Girl I'll still pursue,  
And I  
Know this much is true!  
So Cupid, I pray. Please bring her back on this day.  
And this time, try to make her staaaayy y!

CHORUS:

(Shiny)  
Please! Listen!  
Just one time, I still need my one and only baby  
And lately I've been messed thinking bout this lady  
Cupid bein shady!  
I've been goin crazy!  
Listen, it's my vision to complete this mission  
In transition, baby make me part of your decision  
And I'll promise everything that youve envisioned  
You plus me, no lie, no division  
I still pursue you til this day baby with great  
Precision  
Just please! Cupid,  
Shoot her a thousand arrows  
Struck her with all your might with each and every  
arrow  
Make her realize, please open up her eyes  
From all these stupid lies, from all these stupid guys  
I hope she sees the truth and I hope she does believe  
That through all of these songs I made  
That She still the one I need  
Too bad, it's too late, this message never got in time  
Cause  
14 of February she aint even my  
Valentine damn

CHORUS

And Even if, the sun refused to shine.  
Even romance without a rhyme.  
You still have my heart till the end of time.  
YOUR ALL I NEED MY LOVE MY VALENTINETINE!  
Whooooohhooo
