Following dreams
Is not as hard as it seems
Cause your life soon will end
As the efforts you have spend

Still catching your sun
Some things must be done
Cause the time is running out
Though you scream and cry and shout

Following dreams
Is not as hard as it seems
Cause your life soon will end

As the efforts you have spend

I see your body
Among the night
So tell me Buddy
How is your fight?

You're only losing
But know the rules
The things you're choosing
Are made by fools

Not every story
Will end like this
So please don't worry
Give me a kiss
