Shiny Beats - Secret Spaces

The things you wanna get they wouldn't come for free
You've touched the magic doors but never had the key
We've heard the secret spells and we were scared to death
We wanted to reach the skies but couldn't go that path

And thought your life upsets you it's not as shitty as it seems
Among the greatest sadness you will find some happy themes
So turn the neon on and seek the truth and sense
Just try to use your heart and not this shiny lens

Are you loosing this fight
To see spaces behind
To take magic from life
And live

What's the reason to be

Feel the spirit and seek
All the beauty that sleeps
Behind

Hear the crying of youth
To experience the truth
As the core of the universe

Are you loosing this fight
To see spaces behind
To take magic from life
And live

What's the reason to be
Feel the spirit and seek
All the beauty that sleeps
Behind

Hear the crying of youth
To experience the truth
As the core of the universe

In a secret spaces
In a secret spaces
In a secret spaces
In a secret spaces
In a secret spaces
