Shiny Beats - Stars

Fly with me
Some things are getting older
I'll be your shoulder
Fantasy
This day we'll see the magic
You know it's tragic
Count your stars
Our lives would be electric
So eclectic

No place that I know
No place did I go
No place did I know
No place did I go
No place that I know
No place did I go
No place did I know
No place did I go

Fly with me
Some things are getting older
I'll be your shoulder
Fantasy
This day we'll see the magic
You know it's tragic
Count your stars
Our lives would be electric
So eclectic

No place that I know
No place did I go

No place did I know
No place did I go
No place that I know
No place did I go

Things weren't right
So long in my sight
You wanted say

That I couldn't stay
Things weren't right
So long in my sight
You wanted say
Fly with me
Some things are getting older
I'll be your shoulder
Fantasy
This day we'll see the magic
You know it's tragic
Count your stars
Our lives would be electric
So eclectic
Fly with me
Some things are getting older
I'll be your shoulder
Fantasy
This day we'll see the magic
You know it's tragic
Count your stars
Our lives would be electric
So eclectic
