Words and music by Nance Petit, Freddy Bradburn  
She was the secret daughter of Marilyn Monroe  
You could guess the father if you don't know  
Joan Crawford adopted and called her Baby Jane  
But we all knew her by a different name

Chorus:

Barbie, the untold story  
Just remember, you heard it first from me  
Barbie, the untold story  
Tell you the truth for a phenomenal fee  
Just when family tensions were at their worst  
She met her best friend Ms. Patty Hearst  
They found a higher power over at Betty Ford's  
It was a vibrator on a ouija board

Chorus

She studied theatre at UCLA  
And dated OJ once, I'm sorry to say  
But then came Ken to star in her play  
She was shattered to learn that he was gay

Chorus

Made a career leading cheers for the LA Lakers  
Then became the main mistress of the Reverend Jim  
Baker  
Helped him hear his messages from the lord  
With a vibrator and a ouija board
