.....

I wish I had a circle driveway
'Cause there's too much for me to leave behind
If I only had a circle driveway
I'd just ride around and wave goodbye

Well i really can't believe she packed my suitcase
I can't believe that both her eyes were dry
The only thing we didn't have together
Was a not-that-badly-needed circle drive

Chorus

So I slam it in reverse and watch for traffic
'Cause I don't want a kid to see me cry
I guess it's time to head a new direction
So I'll do my best to get it into drive
