From East Asheville Hardware  
.....

I'm dangerously romantic  
When the leaves are coming down  
When the air was clear this morning  
And the frost still on the ground  
When I wore those cozy woolen gloves  
To bicycle into town  
Well of course I'd want to fall in love  
And finally settle down

Chorus:

But I'm dangerous  
Be careful with me  
'Cause I could fall for you  
Much too easily  
I'm usually cool, I like to be free  
But I'm dangerous right now  
Be careful with me

I'm hopelessly sentimental  
When the winter comes a storm  
When the snow is on the mailbox  
And the sidewalks all are gone  
But the fire in the woodstove  
Can keep me so nice and warm  
That of course I'd want to live with you  
And share this simple home

Chorus

It must just be the season  
When the spring is in the air  
And I'm acting like a child again  
And frankly I don't care  
But I found these purple flowers  
To weave into your hair  
And of course I'd want to marry you  
And travel off somewhere

Chorus
