From The Nightshift Watchman
.....

Do I dare believe and let love lead my life
Could I not believe and leave that love behind?
Do I dare believe and let love lead my life
Could I not believe and leave that love behind?

You ask me if I'm faithful
You ask me if I'm true
I answer with a question
'cause it's all that I can do

Do I dare believe and let love lead my life
Could I not believe and leave that love behind?
Do I dare believe and let love lead my life
Could I not believe and leave that love behind?

I don't have all the answers
I can't explain it all
I'm not sure where I'm going
But I think I hear a call
