From The Nightshift Watchman  
.....

I used to know a love song  
It was something about a flower  
That blossomed out to early  
When a sunny day turned sour

Only for an hour  
There's a blossom in the snow  
The innocence is beautiful  
But what a way to go

Chorus

Frozen in the snow  
Singing Spring is coming  
Frozen in the Snow

Now I was just a young thing  
When the sixties were in swing  
They were singing of Aquarius  
And all that it would bring  
A lot of dreams got frozen  
When the time turned bitter cold  
They blossomed like a flower  
But what a way to go

Chorus  
Frozen in the snow  
Singing Spring is coming  
Frozen in the snow

Frozen in the snow.
