From Turning Point  
.....

Time, this time  
Finally the moment is mine  
The crowd is wowed  
I'm walkin' to the cannon so proud

The cannon fills the spotlight  
So shot me to the view  
My heart packed full of dynamite  
So I will fall for you,  
All for you, baby  
See this is your big top baby  
And you've got all your clowns  
Around you too  
I can hear that drumroll baby  
And that means that  
The torch is to the fuse

Love, true love  
I can feel it when I'm high above  
But I fall, that's all  
I'm your human cannonball

Always dreamed of flyin'  
And now the dream comes true  
I'm not afraid of dyin'  
So I will fall for you, all for you, baby  
This is your big top, baby  
Yeah you've got all your clowns  
Around it's true  
Why are you just smilin' at me fallin'  
Oh maybe this is keeping you amused

I was the one you wanted  
If i could stay that high  
If I could burn my sorrow  
Like it was fuel to fly

The sound comes 'round  
Now I wake up

With my ear to the ground  
I rise surprised  
So this is how a fool gets wise, oh

I'm gonna leave  
Your three-ring-circus  
I was a fool to fall  
I'm gonna leave  
Your three-ring-circus  
Your human cannonball
