We made our warm bed out of blankets
In the meadow way up high
You took off your dress in the moonlight
To sleep beneath the sky

Your touch was a warm summer ocean
Your kiss made the whole mountain fly
And you looked deep within me and smiled
At the tears in my eyes

Now you can say that you always were honest
And your words were clear from the start
But it's more than just words that got spoken
There was language of the heart

I won't keep on calling your number
If you never have the time
I don't want to claim you or blame you
But you're always on my mind

You had no idea I would love you
It comes as a total surprise
And you shake your head slowly and smile
At the tears in my eyes

And you can say that you always were honest
And your words were clear from the start
But it's more than just words that got spoken
There was language of the heart

Your eyes like an ocean
Of clear sunlit green
My eyes with the salt water
Wash me clean again

And just imagine you whispered a secret
That could take away my blues
And you let me believe it to please me
Though it just wasn't true

You just meant to share with me pleasure
And your gifted at what you do

But your speaking an unspoken language
I thought that you knew

It's one that we all learn by heart
And our hearts think it's true

But you can say that you always were honest
And your words were clear from the start
But it's more than just words that got spoken
There was language of the heart, language of the
heart
