Would you like meet in Soho?
This is David, I don't know
Just talk of how New York has been
Well, yes, it's easy to imagine
I've healed a lot since then
I think that we could walk away as friends

It's a clear reception
It's a long connection
And it's all the way across this mighty ocean

I could be there by your night
Which is my morning
Right now I'm still at Heathrow at the gate
Well, yes of course, I'm bragging
But didn't it sound great
To fly across the ocean for a dinner date?

It's a clear reception
It's a long connection
And it's all the way across this mighty ocean

Sure, I've been in town before
But never quite so quickly
And never from a place so far away
But if this color carbon ticket
Says that I can fly the ocean
Well, maybe I can think of what to say

It's a clear reception
It's a long connection
And it's all the way across this mighty ocean

It's flight 715, nine thirty
But I won't be through with customs until ten
Okay, TWA
I'll be flying over ocean until then

It's a clear reception
It's a long connection
And it's all the way across this mighty ocean

It's a clear reception
It's a long connection
And it's all the way across this mighty ocean
