Every time i think of you  
I always catch my breath  
And i'm still standing here  
And you're miles away  
And i'm wondering why you left

And there's a storm that's ragin'  
Through my frozen hear tonight  
I hear your name in certain circles  
And it always makes me smile  
I spend my time thinkin' about you  
And it's almost drivin' me wild  
And there's a heart that's breakin'  
Down this long distance line tonight

I ain't missin' you at all  
Since you've been gone away  
I ain't missin' you  
No matter what my friends say

There's a message in the wire  
And i'm sending you this signal tonight  
You don't know how desperate i've become  
And it looks like i'm losin' this fight  
In your world i have no meaning  
Though i'm trying hard to understand  
But it's my heart that's breakin'  
Down this long distance line tonight

I ain't missin' you at all  
Since you've been gone away  
I ain't missin' you  
No matter what i might say

But there's a message that i'm sending out  
Like a telegraph to your soul  
If i can't bridge this distance  
Stop this heart break overload

I ain't missin' you  
I ain't missin' you

I can lie to myself  
But there's a storm that's ragin'  
Through my frozen heart tonight  
I ain't missin' you  
I ain't missin' you  
I ain't missin' you  
Missin' you
