All that time
I was on my own
I was so alone
My heart was caving in

Now I find
When I see you smile
I know that I
I feel alive again

No doubt about it
I knew it in a minute
No doubt about it
Lucky one just to win it

Not about to doubt it
Good lovin', I was in it
Can't do without it
No doubt about it

Years go by
And the work gets done
In the day-to-day
Oh, you're still the one

Now I know
Our love is real
Yeah, I've seen it all
Oh, and I still feel

No doubt about it
I knew it in a minute
No doubt about it
Lucky one just to win it

Not about to doubt it
Good lovin', I was in it
I can't do without it
No doubt about it

I'm a better man, and I keep my word
Because I want to be all that you deserve

No doubt about it
I knew it in a minute
No doubt about it
Lucky one just to win it

Not about to doubt it
Good lovin', I was in it
I can't do without it
No doubt about it
