What is it in her eyes  
Light of love when she smiles  
I heard her heart beat  
In time with mine  
A million times  
No one can blame us  
For running from reason  
Or running  
For no reason at all

Living here in this state of grace  
Making plans to sail away  
Nobody's gonna take my place  
Here in this state of grace

Life at the speed of dreams  
Under a different sun  
Horizon clear and true  
Romantic heroes in the blue

Living here in this state of grace  
Making plans to sail away  
Nobody's gonna take my place  
Here in this state of grace

Wastin' time trying to analyze  
Think you've got it beat  
Nobody to talk to walking down a  
Lonely street

I have a dream, a beautiful dream  
Like a wishing well  
If the sky had a mind of its own  
Oh what a story the sky could tell

Living here in this state of grace  
Making plans to sail away  
Nobody's gonna take my place  
Here in this state of grace

Living here in this state of grace  
Making plans to sail away

Nobody's gonna take my place  
Here in this state of grace

Living here in this state of grace  
Making plans to sail away  
Nobody's gonna take my place  
Here in this state of grace

Living here in this state of grace  
Making plans to sail away  
Nobody's gonna take my place  
Here in this state of grace
