Know what you say
Say what you know
Go where you live
Live where you go
Don't take advice
Take a chance
Roll the dice
Learn to dance

We are the roughest
We are the toughest
We are the cool breeze
We make a mess
We are the best
The ninety-ninth degree
It's you and me, kid
We got the natural edge
It's you and me, kid
We got the natural edge

The natural edge
Cannot be taught
Cannot be sold
Cannot be bought
You gotta have it
You gotta know
We do-let's go

We are the roughest
We are the toughest
We are the cool breeze
We make a mess
We are the best
The ninety-ninth degree
It's you and me, kid
We got the natural edge
It's you and me, kid
We got the natural edge
Do it!

Rabbit foot
Four leaf clover

Lady luck move over
We can't lose, we can only win
Let me hear you say it again
Know what you do
Do what you know
Go where you live
Live where you go
Don't take advice
Take a chance
Roll the dice
Learn to dance

We are the roughest
We are the toughest
We are the cool breeze
We make a mess
We are the best
The ninety-ninth degree
It's you and me, kid
We got the natural edge
It's you and me, kid
We got the natural edge
It's you and me, kid
We got the natural edge
