Daddy's little grrrl
Turned out to be... a disappointment
Daddy's little grrrl
Grew up... too damn fast
Daddy's little grrrl
Isn't what you wanted her to be
Daddy's little grrrl
Isn't a little girl

Little GIRL
Little GIRL

Sorry I forgot to wear my mask
Sorry that I'm way too much to ask
Sorry I can't make yr faith last
SORRY? yr a PAIN IN MY ASS
Sorry that I can't make you proud
Sorry that I'm just way too loud
Sorry that I'm human and I can fall
Fuck that I'm not sorry at all.
Daddy I feel bad for you
You feel bad for me? I feel bad for you
Daddy I wont listen to you
Accept me for me, then I'll respect you
Daddy's little grrrl
Put metal holes in her pretty face
Daddy's little grrrl
Was never daddy's in the first place
Daddy's little grrrl
Wants her daddy to listen up
Daddy's little grrrl
Told her daddy to shut the fuck up
Sorry I forgot to wear my mask
Sorry that I'm just way too much to ask
Sorry I can't make yr faith last
SORRY? yr a PAIN IN MY ASS
Sorry that I can't make you proud
Sorry that I'm way too loud
Sorry that I'm human and I can fall
Fuck that I'm not sorry at all.
