Not gonna shut my mouth, FUCK U!
Not gonna do what you tell me to
It's my life, my right, my voice
I'll speak up now, while I got the choice!
FUCK U!

Not gonna get a job, FUCK U!
Not gonna do what you tell me to
It's my life, my time, my plan
I'll follow my dreams, I won't follow the man
FUCK U!

Not gonna fight yr war, FUCK U!
Not gonna do what you tell me to
It's my life, my world, my land
Gotta stop the violence, gotta take a stand
Gotta stop the violence, gotta take a stand

Not gonna do what u tell me to
Not gonna do what u tell me to
Not gonna do what u tell me to
FUCK U FUCK U FUCK U!

Not gonna clean my room, FUCK U!
Not gonna do what you tell me to
It's my life, my mess, my space
Get yr fucking finger pointing outta my face!
FUCK U!

Not gonna shave my legs, FUCK U!
Not gonna do what you tell me to
It's my life, my body, my hair
Fuck yr rules, they're just not fair!
FUCK U!

Not gonna starve myself, FUCK!
Not gonna do what you tell me to
It's my life, my food, my gut
Gonna stick it out like a big fat slut
Gonna stick it out like a big fat slut

Not gonna do what u tell me to

Not gonna do what u tell me to
Not gonna do what u tell me to
FUCK U FUCK U FUCK U!
