I'm going to write a song
I'm going to right this wrong
I'm going to change the world
My name is shiragirl

I'm going to raise hell tonite
I'm going to DC to fight
I'm going to start my first band
Gonna do it all with my two hands

Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
The only bush I want in office is mine!

Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
The only bush I want in office is mine!

I'm going to write a song
I'm sorry if you've heard it all before
I'm going to right this wrong
I'm gonna spread the word:
NOT FOUR MORE!
Four more years?
NO!

Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
The only bush I want in office is mine!

Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
The only bush I want in office is mine!

I am inspired
I don't care if I'm tired
Art, not war, is for me
Fighting for peace is like fucking for virginity

I'm going to write a song
Don't care if u heard it all before
I'm going to right this wrong
Gonna spread the word... NO MORE WAR!

Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
The only bush I want in office is mine!

Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
The only bush I want in office is mine!

Fuck the war
Fuck always wanting more
Fuck the lies in the newspaper
Fuck the fake patriotic peace haters

Open yr eyes and see the bigger picture
It's the 21st century and the world's getting sicker
With weapons of mass distraction like TV or liquor
Something's gotta change
America is deranged!

Guess a country run by frat boys
Has to be fucked up
Well, SHIT, United Nations,
I guess yr out of luck

George W. is power hungry
And next he wants the moon!
But the day his ass is out of office
Will never come too soon!

The man is a buffoon
U can see it in his eyes
His cluelessness almost makes him
Harder to despise

But with all the lies
There's just no way in hell to compromise
Next generation
We're coming Bush, surprise!

Here we go now...

Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!

The only bush I want in office is mine!

Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
The only bush I want in office is mine!

Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
The only bush I want in office is mine!

Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
Dick plus Bush equals FUCKED!
The only bush I want in office is mine!
The only bush I want in office is mine!

MY bush would be a better president
