When you hold my hand, say that I'm your man  
Well you thrill me so, I feel good

When the stars are light, when the moon is bright  
When you hold me tight, I feel good

When you're close to me, hold me tenderly  
Then the world can see, I feel good

When you call my name, almost go insane  
When you're holdin me, I feel good

When you touch my lips, oh what I thrill I get  
When you're a-lovin me  
When that thrill is done  
That's when the love is strong  
And that's the way it should be, ooo! ooo!

When you hold my hand, say that I'm your man  
When you hold me tight, I feel good

When you touch my lips, oh what a thrill I get  
When you're lovin me  
When that thrill is done  
That's when the love is strong  
And that's the way it should be, ooo! umm!

When you hold my hand, say that I'm your man  
When you hold me tight, I feel good  
I feel good, umm so good

Oh-oh-oooh, oh
