I've been kissed before
I've heard
I've heard I loved you before
Yes, I've heard it before
I've been kissed before
But never like this before
Oh the way girl, you really send me

I've been hugged before
I've, oh I've been squeezed before
I've been hugged before
I've been squeezed before
But never so pleased before
Oh the way girl, you really send me

Huggin' my man
Yes, huggin' my man
Yes, huggin' my man
Oh the way girl, you really send me

Look in my eye
Just look in my eye
Just look in my eye
Oh the way girl, you really send me

I've been kissed before
I've, oh I've been squeezed before
I've been kissed before
I've been squeezed before
But never so pleased before
Oh the way girl, you really send me
