I thought number one would surely be me,
I thought I could be what I wanted to be.
I thought I could build on life's sinking sand
But I can't even walk without You holding my hand.

Chorus

I can't even walk without You holding my hand.
The mountain's too high and the valley's too wide.
Down on my knees, I learned to stand.
And I can't even walk without You holding my hand.
I think I'll make Jesus my One and my All
From now on when in trouble, only His name I'll call
And If I can't trust Him, I'll be less of a man

'Cause I can't even walk without You holding my hand.

Chorus

I can't even walk without You holding my hand.
The mountain's too high and the valley's too wide.
Down on my knees, I learned to stand.
And I can't even walk without You holding my hand.
Down on my knees, I learned to stand.
And I can't even walk without You holding my hand.
