God will make a way

I know that He will.. I've seen it and He will

Oh....

God will bring you, bring you out

I know that He will, I've seen it and I know He will

if you just let Him make a way.

God will (God will) make a way,

I know that He will, (I know He will)

I've seen it and He will yes

God will make a way, I know that He will, (I know He will)

I've seen it and He will, make a way.

God will yes, He'll make a way, yeah, yes

He knows exactly what you've been feeling now

So don't you doubt, and don't you give up now no

For the God I'm serving is already working it out,
Hallelujah

yeah, yeah, yeah

God will, (God will) bring you out

(For He knows the way) I know that He will (He knows a
way out of your problems)

I've seen it and He will (He knows a way out of your
situation, God will)

God will (God will, God will) bring you out, (yes He will)

I know that He will (Oh I've seen it and I know He will all
you gotta do is let Him, let Him)

make a way

So you see I tried Him, He made a way for me.

I understand just what you've been going
through...listen

It is now the time for you to give up now, you've been
praying and you miracle is on the way, is on

the way, on the way..hallelujah

Repeat Chorus

He'll make a way, yes He will

He'll make a way, I know he will
