I'm walking in the favor of God, his grace and mercy
has brought me this far. I will believe all that His word
says about me; like in poverty, it's not my destiny. I'm
walking, I'm living, I'm walking in the favor of GOD.

Somebody help me

I'm walking in the favor of God, his grace and mercy
have brought me this far. I will believe all that His word
says about me; like in poverty, it's not my destiny. I'm
walking, I'm living, I'm walking in the favor of GOD.

Favor, I speak favor, I speak favor, favor, I speak favor,
I speak favor, over your life (over my life)

His favor (his favor) is better (is better) than life to me,
the blessings of Jesus make me rich in victory.

I will believe all that His word says about me; like in
poverty it's not my destiny. Im walking, Im living, Im
walking in the favor of GOD.

I said favor, I speak favor, favor, I speak favor, I speak
favor, over your life.
