What child is this
Who sweetly lays to rest?
What child is this
On Mary's lap is sleeping?

Oh, what child is this
Who lives in my heart and never departed?
What child is this
And each new day He loves me?

What Child is this
Who sweetly lays to rest?
What Child is this
On Mary's lap is sleeping?

Oh, what child is this,
Who lives in my heart and never departed?
What child is this
And each new day He loves me?
Each new day He loves me

Well

I know His name, Jesus
I know His name

Wonderful name
Jesus, wonderful name

It must be Jesus
It's got to be Jesus
It must be Jesus
