(Tic-toc  
You don't stop)

(You)  
(You don't)  
(You don't)  
(You don't stop)

If you wanna be happy for the rest of your life  
Man, find an ugly woman, and make her your wife  
I mean ugly, so bad you can't look in her face  
So fat she can't go down and tie her shoe lace  
Now the reason that I say this, is simple and plain  
All the pretty girls, man, they just play games  
With your mind and your time, they're not with it  
Cause if you ain't got no money, then you might as well  
(hit it)  
But with an ugly girl, man, they'll simply adore ya  
Like you can mess around and they'll still be there for  
ya  
Cause you're all she has, and you're all she can get  
So run out and find yourself an ugly chick  
They'll be honest all the time, so boy, don't pursue her  
Cause she's ugly as hell, nobody'll talk to her  
So what she's a (bat) and a Godzilla (creature)  
But it's not how she looks, it's how the girl (treats ya)  
So if you wanna be happy for the rest of your life  
Man, find an ugly woman and make her your wife  
Cause pretty girls'll have you cryin the blues  
But when a ugly girl leaves (she ain't nothin to lose)  
No

(You)  
(You don't)  
(You don't)  
(You don't stop)  
(Hit it) 3x

Now here's a time of my life I won't forget for the world  
When Cash hooked me up with this ugly girl  
He said (Marv, she's bad, and she's a musical  
producer)  
But I shoulda known with a name like Medusa  
When she opened the door, man, it wasn't even funny  
Cause the girl reminded me of King-Kong Bonnie  
Bald-headed and fat, boy, she blew my mind  
But she captured my heart (why) cause she was kind  
Sat me down at the table for a bite to eat  
Gave me a rose and a kiss on the cheek  
My mind was in shock, man, I thought I was dreamin  
Cause everytime I looked at her, I felt like screamin  
I thought about leavin, but I stopped and chilled  
Just thought to myself: can this be real?  
She's not pretty at all, but she treats me like a king  
(Is that why you care for that ugly thing?)  
Yeah Cash, you probably dog her and call her a creep  
But you know what? (what?) beauty's only skin deep  
And no matter what you say, man, she seems to be  
sweet  
Cause I've been datin her now for the past three weeks  
So if you wanna be happy for the rest of your life  
Man, find an ugly woman (yup) and make her your wife  
Cause pretty girls'll have you cryin the blues  
But when a ugly girl leaves (she ain't nothin to lose)
