[Intro:]

Yea-ea-eah

Oh yea-eah

Hmmmm... oh yeah, yeah

Hmmmm... hmmmm

Yeah (yeah)

[Verse 1:]

Girl you said to me

That you would never go

And you showed me ways that our love can grow

Girl I know sometimes I can do foolish things

When I called to say I'm sorry

You're never listening

Baby don't you see that

When I said I loved you

Don't believe that

Can you see you were meant for me

Baby you were sent from above for me

Oh and if I ever made you cry

Baby please dry your eyes

Don't want it to end this way

Baby please don't go!

[Chorus:]

Hold me now

And let your loving grow for me now

Baby...

Hold me now

And let your loving flow for me now

Yeeeahh...

[Verse 2:]

Keep telling me you wanna go

Friends telling me you gotta leave baby

What about all the promises you made

When you swore that you'd never leave me

Grab her stuff, she's walking out the door

By now I'm on my knees for sure

I'm crying baby please don't go

She's closing the doooooor

[Chorus:]
Hold me now
And let your loving grow for me now
Baby...
Hold me now
And let your loving flow for me now
Yeeeaahh...

[Verse 3:]
Girl you left with a part of me
And in my heart baby
There's still a place for you
Without your loving girl
I don't know what I'd do
That's why my baby boo
This I ask of you...

[Chorus:]
Hold me now
And let your loving grow for me now
Baby...
Hold me now
And let your loving flow for me now
Yeeeaahh...

[Chorus:]
Hold me now
And let your loving grow for me now
Baby...
Hold me now
And let your loving flow for me now

[Outro:]
Hold me now
And let your loving grow for me now
Baby...
Hold me now
And let your loving flow for me now
