[Intro:]

How I miss you baby
Really wish you were here with me

[Verse 1:]

When you called me
On the telephone early this morning
I was feeling down
Feeling alone
But me heard your voice
I just couldn't hold back the feelings
It was like a melody to my soul

[Hook:]

How I wish you were here with me now
How I wish I could be with you so now

[Chorus:]

Cause baby I'm missing you right now
Baby I'm needing you right
Yee-eess, I'm missing you right now
And how I wish you were around me
Because I wouldn't be feeling
This way right now

[Verse 2:]

So close
But yet so far away
I sit stearing at the pictures
Of you all day
My arms are open wide
Can't wait to hold you
But I'm gonna have to wait
One more day

[Hook:]

How I wish you were here with me now
How I wish I could be with you so now

[Chorus:]

Cause baby I'm missing you right now
Baby I'm needing you right

Yee-eess, I'm missing you right now
And how I wish you were around me
Because I wouldn't be feeling
This way right now

[Verse 3:]

Because you're not with me
Inside I'm so empty
I need your love to lift me up
Take me much higher than the mountains
Don't wanna be lonely
So hurry on baby
Cause I need to see you noooowww...
Ohh baby

[Chorus:]

Yee-eess, I'm missing you right now
Baby I'm needing you right
Yee-eess, I'm missing you right now
And how I wish you were around me
Because I wouldn't be feeling
This way right now

[Outro:]

Oh baby
I'm missing you
Baaabby
I'm needing you
Yeee-aaaah
Now and forever
I'm gonna be right here
Waiting on you
I'm missing you baby
I'm needing you now baby
I'm missing you
I'm missing you
Missing you
