Baby I love you
I never meant to hurt you

When I said "I love you"
I meant every word I said
I don't want you to believe anything else
Gave you my heart, and not to no one else
'Cause no one means that much to me like you do
I know I made some mistakes (made some mistakes)
I know I caused you some pain (caused you some pain)
But I know that you and I can start all over again
Baby it's not too late (baby it's not too late)
All we need is some faith (all we need is some faith)
Just believe in what we have and everything will be
great

[Chorus:]
Ohhhhhhh, ohhh
I've made a change for you
And oh this time I promise
I'm never gonna hurt you again
The things I used to do
Oh, This time I promise
I'm never gonna do them again

I know you feeling like you can't do this anymore
But I don't wanna see you cry, can't walk right out that
door
Don't leave me standing with my heart out on the floor
I made some promises to you and I've broken them
before
Oh I made some mistakes (I know I made some
mistakes)
Oh I caused you some pain (I know I caused you some
pain)
But I know that you and I can start all over again
Ohh, Baby it's not too late (baby it's not too late)
All we need is some faith (all we need is some faith)
Just believe in what we have and everything will be
great

[Chorus:]

Ohhhhhh, ohh
I've made a change for you
And oh this time I promise
I'm never gonna hurt you again
The things I used to do
Oh this time I promise
I'm never gonna do them again

I made a change for you
Oh this time I promise
I'm never gonna hurt you again

For all the times I cheated on you baby
(I'm never gonna cheat on you again)
I'm never gonna do it again
For all the lies that I told you baby
(I'm never gonna lie to you again)
I'm never gonna do it again
For all the times that I stayed up late
I'm never gonna do it again
For all the hard licks and the pain
Oh I'm never gonna do it again

[Chorus:]
I've made a change for you
And oh this time I promise
I'm never gonna hurt you again
The things I used to do
Oh this time I promise
I'm never gonna do them again

I've made a change for you
And oh this time I promise
I'm never gonna hurt you again
The things I used to do
Oh this time I promise
I'm never gonna do them again

Ohhhh, Oh this time I promise
I'm never gonna hurt you again
